1. Mission. The 26th Intelligence Group (26 IG), 67th Intelligence Group (67 IG), 543d Intelligence Group (543 IG), and the 692d Intelligence Group (692 IG) are operational components of the 67th Intelligence Wing (67 IW), executing decisive information operations for tactical, theater, and national operations. The groups are tailored to specific mission areas and theaters of operation and consist of worldwide teams of information professionals, securing and maintaining information superiority for the nation.

2. Command. The 26th Intelligence Group Commander (26 IG/CC), 67 IG Commander (67 IG/CC), 543 IG Commander (543 IG/CC), and 692 IG Commander (692 IG/CC):

- 2.1. Are subordinate and accountable to the 67th Intelligence Wing Commander (67 IW/CC).
- 2.2. Coordinate air component operations and issues through 67 IW/CC
- 2.3. Command and provide oversight of their subordinate squadrons, detachments, and operating locations.
- 2.4. Are the Air Force Service Cryptologic Element (SCE) in their respective areas of responsibility.

3. Responsibilities. The 26 IG/CC, 67 IG/CC, 543 IG/CC, and 692 IG/CC:

- 3.1. Focus and leverage all Air Intelligence Agency (AIA) capabilities for Air Force operational partners.
- 3.2. Execute 67 IW/CC and AIA policies, plans, and directives; interpret directives, orders, and regulations; and enforce and maintain standards.
- 3.3. Exercise command and control of 67 IW personnel and resources allocated to their respective squadrons, detachments, and operating locations.
- 3.4. Participate in theater operations by providing personnel, equipment, and tailored operations to gain, exploit, attack, and defend information.

- 3.5. Collect, analyze, produce, and disseminate near-real-time information, meeting requirements of air component and unified commanders and national agencies.
- 3.6. Provide battle space awareness, communications-computer system security, and electronic combat services to tactical war-fighters, theater battle managers, and national-level decision makers.
- 3.7. Operate collection platforms, sensors, and systems through subordinate units.
- 3.8. Represent 67 IW/CC to their theater of operations.
- 3.9. Ensure timely production and processing of performance reports, awards, decorations, and other personnel actions.
